

Proclamation

Community Day

June 22, 2013

WHEREAS community day recognizes that public services and infrastructure are the bedrock that keeps our community strong and healthy; and

WHEREAS public services are crucial to Canada's ongoing recovery and to our community's economic well-being; and

WHEREAS renewed public investment in local public services and infrastructure will ensure all residents can work, learn and thrive in our community; and

WHEREAS community day recognizes and values the contributions that public service workers make in our communities; and

WHEREAS community day encourages community members to call for re-investment that keep public services strong, strengthen the services and programs that make our community a better place to live, and creates a platform for civic pride in public places.

THEREFORE as chair of the Comox Valley Regional District board of directors I do hereby proclaim June 22, 2013 a community day within the Comox Valley Regional District.

Edwin Grieve
Chair

Dated this 18th day of June, 2013.
