

Union Bay Water Service Area

As stated in Bylaw No. 278 being "Bylaw No. 278 Water Tolls and Other Charges, 2020", in the case of a water leak the following applies

Rebates

15. Where an owner or owner's agent provides evidence that:
 - a. Fees charged to that person prescribed in Metered Rates have been unduly high because of a water leak; and
 - b. The leak has been repaired,
a rebate calculated in accordance with subsection (16) may be made to the owner.
16. A rebate under subsection (15) shall be calculated on half of the dollar amount of:
 - a. The last billing period calculated immediately before repair of the leak; and
 - b. The first billing period calculated immediately after repair of the leak.
17. The power to review the evidence provided under subsection (15) and to calculate the rebate under (16) may be exercised by the manager of water services or their designate.
18. The maximum leak related charge as described in subsection (16) shall be limited to \$1,000 per owner per application.
19. The maximum rebate payable under subsection (15) is limited to once every two years per owner.

The application must be completed by the property owner and include copies of invoices, receipts, etc., from the repair.
