To present the 2024-2028 recommended financial plan and request the Board's consideration of first, second and third readings. Adoption of this bylaw is proposed for the March 19, 2024 meeting.

**Recommendation from the Chief Administrative Officer:**

THAT Bylaw No. 819 being "Comox Valley Regional District 2024 to 2028 Financial Plan and Capital Expenditure Program Bylaw No. 819" be given first, second and third readings.

**Executive Summary**

On an annual basis, the Board adopts an updated five-year financial plan. It is through this plan and respective bylaws that staff can execute operational budgets and capital projects.

- On January 23, 2024, the Chief Financial Officer delivered the proposed budget and an overview was presented. The overview contained a concise account of the financial plan, included a listing of significant projects and projected tax implications for partnering municipalities and electoral areas.
- Through a redesigned approach to the financial planning section of the CVRD website, as well as the use of the Engage Comox Valley site, the proposed budget package was posted. The redesign resulted in clear operational budgets and capital plans detailed in a way which was easy for elected officials and the public to access and understand. With the onset of this budget cycle, staff reports are no longer produced for each and every service.
- Dedicated budget deliberation meetings were held on February 5, 6 and 7, 2024. Over this time, service budgets which fall under the authority of the Board, Electoral Areas Services Committee (EASC) and Black Creek – Oyster Bay Services Committee, were presented, discussed and deliberated.

- All services, with the exception of three, were endorsed either with or without amendments to the proposed budget.
- EASC considered the use of Community Works Funds (CWF) during this time and approved allocations where appropriate to capital projects.
- On February 13, service budgets under the authority of the Sewage Commission, Water Committee, Recreation Commission and Regional Parks and Trails Committee were presented, discussed and deliberated.
  - Seven services were considered, with six endorsed as proposed.
  - The Recreation Commission made a change to Function No. 601, Track and Fields Service, with respect to the New Turf Field capital project. As a change in the maximum level for the service bylaw did not pass, the proposed budget could not proceed. The proposed budget was amended as follows:
    - Project 1180 New Turf Field (\$5,718,000) was removed from the proposed financial plan as was all of the related operational expenditures.
    - The tax requisitions for the years 2024 – 2028 have been changed to the 2024 maximum of \$985,970; an annual contribution to the future expenditure reserve will be made for the second turf field.
- At the February 26 EASC meeting two items were reconsidered. The final three services were adopted with the following changes:
  - An additional \$300,000 in CWF was allocated to project 1175 Graham Lake Water Treatment Plant. The application of this grant funding will reduce debt servicing costs to future years.
  - Within the 621 Baynes Sound, Areas A and B Parks and Greenways, multiple changes were made:
    - A total of \$205,000 in CWF was allocated to the following projects:
      - Project 1148 Union Bay Playground in the amount of \$175,000;
      - Project 1147 Masters Park in the amount of \$50,000;
      - Mottishaw Greenway in the amount of \$30,000;
      - Replaced \$200,000 in Community Works Funding currently applied to the Lazo Greenway capital project with Capital Works Reserve funding;
      - \$10,000 in operating funding was added to support weed control efforts on beach accesses.
- The Comox Strathcona Solid Waste Management (CSWM) Board considered and adopted the recommended budget with amendment on February 8.
- All CVRD services have now received the required endorsement of the proposed budget. Following all the resolutions made from the six Committees, Commissions and the Board, staff have drawn together the recommended budget.

- The overall 2024 recommended operating budget is \$108.6MM.
- The overall 2024 recommended capital budget is \$84MM. In progress and uncomplete projects from the 2023 budget, have been included in the 2024 recommended budget as capital carry forwards.
- Adjustments to the financial plan have resulted in an overall reduction in 2024 tax requisitions from \$46,698,502 to \$46,602,020 (a savings of \$96,482 or 0.20 per cent).
- With the 2024 year-end drawing to a close, surplus figures have been refreshed and incorporated into the recommended version of the budget.
- There are some areas where the recommended budget includes figures which have been updated in light of new information or a correction has been made.
- The background includes more comprehensive information related to changes from proposed to recommended.
- The results of 2024 public engagement into budget has seen greater public involvement than in the past. Three questions and seven items of feedback were received. The Engage Comox Valley site has six followers. Efforts to increase public engagement will be ongoing for subsequent budget cycles.
- The final step within the budget cycle involves receiving the final assessment role from the BC Assessment Authority (BCAA). The final BCAA assessment figures will be received late March and are used to establish the apportionment between participants however; the total budgeted tax requisitions will not change. This final update does not affect the budget bylaws as adopted.
- Once adopted, staff will update the budget package and post to the website material reflective of this approved budget.

For some services, related surplus has been used to help offset increased to taxation in 2024 and therefore, was included within the proposed budget; all remaining surplus will be transferred to reserve. As significant services, approximately \$5 million is associated with water and sewage treatment services and \$2.5 million associated with the CSWM service.

### **Impact to tax payers**

The recommended budget includes \$46,602,020 in tax requisitions. This figure has a net decrease of \$96,482 from the proposed budget.

The implications to the average household, as estimated for the proposed budget, resulted in year over year increase/decrease ranging from \$26.60 to \$69.05 for municipalities and -\$43.66 to \$139.18 for the rural areas. The year over year change is determined by using the specific tax rate per service and multiplying by the typical assessed value. The typical assessed value is provided by BCAA.

For the additional funds, citizens will be receiving added value as noted below:

- 450 Emergency Shelter Land Acquisition: As aligned with Board direction, the tax requisition has been increased to the maximum; an additional \$651,877 will be raised to help advance strategic priorities.
- 625 Regional Parks and Trails: As a newly formed service in 2023, increased requisition of \$163,000 in 2024 will continue to build funds to support the future implementation plans.
- 780 Transit Comox Valley: An additional \$590,000 in tax requisitions is needed to support planned service increases.
- 645 Recreation Complexes: An additional \$648,000 for asset management will ensure the community can continue to rely on the programs delivered through these complexes.

- 601 Comox Valley Track and Field: The requisition has been increased to the maximum; an additional \$670,068 will be contributed to reserves for the second turf field capital project.
- An additional \$244,000 is being raised to support the operations and asset management needs of multiple fire services.
- The debt for the Comox Valley Airport Service was fully retired in 2023, and the service will be closed in 2024. This will result in a direct return to the service participants of \$108,936. The return of funds is from the service reserve and the return of the MFA holdback for the debt.

Most of the change is attributable to the finalized capital carried forwards from the 2023 budget. Other notable changes, as determined during budget deliberations, include the following:

- Removal Project 1180 New Turf Field (\$5,718,000)
- An additional \$123,000 for project 1127 King Coho Sewer Upgrades
- An additional \$184,000 for the Union Bay Playground and Trail project

Funding sources for the capital projects has been adjusted at times to achieve maximum benefit from grants and limit use of debt.

The capital budget includes significant CVRD initiatives. Many of the projects are associated with the Core Services of Water Supply and Sewage Treatment (see Utility section below). Other community amenities are planned for within the Core Service of Recreation and Regional Emergency.

- Multiple planned firehalls: Denman Island (\$2.1MM 2026-2027), Union Bay (\$4MM 2025) and Mt. Washington (2.5MM 2024)
- Dyke Road Park (\$1.3MM 2024), Greenway at Royston School and Lazo Road (\$1.6MM 2024) and Revamp of the Shingle Spit Boat Ramp (\$515,000 2024)
- Significant capital renewal for Recreation Facilities required to meet asset management needs (\$3.4MM 2024-2028) and various projects at the Comox Exhibition centre (\$762,000 2024-2028)

#### Utility Operations – Core Service Water Supply and Sewage Treatment

The CVRD has essential roles in providing utility services to households in the valley. Utility rates are the primary means for funding however and as is the case in many services in this area, a parcel tax is used to fairly distributed the cost of capital infrastructure.

In 2023, water rate reviews were conducted for most services. The 2024 financial plan includes the results of the endorsed rates which see gradual increases needed to protect the sustainable operation of critical water systems. Households have received related information and can also refer back to the CVRD website for further specific information

Capital infrastructure and the management of is an essential component to utility operations. As a major capital project, the Sewer Conveyance Upgrades project is included in the financial plan at a projected cost of \$86 million; requisitions in 2024 have been increased \$9,000,000. The debt servicing on this project has implications to operating budgets as significant debts services is required.

Other notable utility capital projects include the following:

- Sewage Treatment Plan upgrade (\$46 million 2027-2028)
- Water South Services Extension (\$20 million 2025-2027)
- Phase II Union Bay Water Treatment Plan (\$4 million 2024-2026)
- Graham Lake Water Treatment Plant (\$4 million 2024-2027)

#### Comox Strathcona Solid Waste Management (CSWM)

The CVRD is responsible and according to CSWM policy, the CSWM Board approved the CSWM budget which is then rolled into the CVRD bylaw. The recommended

financial plan was considered and adopted by the Board at the February 8, 2024 meeting [February 8, 2024 CSWM Minutes](#).

**Options**

1. Endorse the 2024-2028 Recommended Financial Plan as presented and proceed to give the first three readings of Bylaw No. 819.
2. Recommend further adjustments to recommended budget. Budget bylaws will be updated with the final bylaw for consideration of adoption included on the March 19, 2024 Board agenda.

With a robust budget deliberation process now complete, staff recommend Option 1.
