Be Safe This Halloween, Get Your Fireworks Permit First

Halloween is almost here. If you plan on setting off fireworks (and have already purchased a permit), follow these safety tips to ensure everyone has a safe and fun time:

- **Purchase your fireworks from a reliable source.**
- **Always place fireworks securely on the ground.**
- **Let your neighbours know you're setting off fireworks.**

Failure to have a permit could be a fine of \$500.

If you live in the Town of Comox, City of Courtenay or Village of Cumberland, please contact your specific municipality for fireworks regulations and permit requirements.
