Seasons Greetings From Your Board Chair

On behalf of the Comox Valley Regional District (CVRD) Board, we hope everyone has a safe holiday season enjoying our beautiful community.

As we approach the end of another year, I find myself reflecting on the past year. It has been a year filled with challenges and achievements, and through it all, the spirit of collaboration and dedication has shone through.

As the holiday season unfolds, may you find joy in the company of loved ones, peace in moments of reflection, and a renewed sense of purpose for the year ahead. Remember to take a moment to think about those who are less fortunate and going through challenges. Let the spirit of gratitude guide us as we celebrate the holidays and welcome a new year together.
