## Unified Alternative Approval Process Underway

The Comox Valley Regional District (CVRD) is conducting a Unified Alternative Approval Process (AAP) on four different strategic initiatives within the Comox Valley. Residents are encouraged to visit the CVRD website to learn more about the proposed initiatives and the process.

Under an AAP, electors who are opposed to a proposal are

required to register their opposition by returning an elector response form before the deadline of Tuesday, February 18, 2025 at 4:30 pm. Electors that are supportive of a proposal do not need to take any action.
