## ENSURE MORE MATERIALS ARE RECYCLED AND KEPT OUT OF LANDFILL BY REMEMBERING THESE PRO-TIPS:

- 1 Line it up. Keep 1m (3ft) between your recycling container and your garbage bin.
- 2 Keep it clean. Empty and rinse all containers.
- 3 Flatten and cut. If your cardboard is too large for your collection container, flatten and cut down to smaller pieces. Stack beside recycling collection container. Remember to keep plastic wrap out of your recycling!
- 4 Make a depot trip. Return glass, foam packaging, plastic bags and overwrap, and other flexible plastic packaging to a RecycleBC depot.

### ABOUT RECYCLE BC

Recycle BC is a not-for-profit organization responsible for residential packaging and paper recycling throughout BC, servicing over 1.8 million households. Recycle BC ensures your household materials are picked up, sorted, and responsibly recycled. Our program is funded by over 1,200 businesses that include retailers, manufacturers and restaurants that supply packaging and paper to BC residents, shifting costs away from homeowners.
