One-Way Traffic & Overnight Road Closures to Start March 10

The Comox Valley Regional District (CVRD) is implementing one-way traffic on a stretch of Comox Road, starting March 10th. This change is required to complete work on the new sewer forcemain. A U-Turn route will be active for traffic to safely turn around. It is estimated that this work zone will be active to May 2025.

Traffic will be completely closed overnight from 8 pm to 6 am, Monday to Saturday. Sunday nights are unaffected.

Please note:

- Back Road is not an approved detour route
- Two-way bike and pedestrian traffic during the day only
- BC Transit bus routes and times have been adjusted
- Businesses on Comox Road are open during construction

Know the route, plan your commute. For more information, visit: engagecomoxvalley.ca/conveyanceproject

Upcoming Meetings
