

## **Volunteer Opportunity Advisory Planning Commissions**

Apply to volunteer and share your unique perspective and expertise on a Comox Valley Regional District (CVRD) Advisory Planning Commission:

- Area A (Baynes Sound portion)
- Area B (Lazo North)
- Agricultural Advisory Planning Commission

### **Advisory Planning Commissions (APC) for Electoral Areas A and B**

As an advisory body of local residents, APCs provide input on matters respecting land use, community planning, proposed bylaws and permits. Each APC will consist of a minimum of three and a maximum of nine appointed members. Applicants should be a resident of one of the above-mentioned electoral areas and are required to have basic local knowledge of and an interest in planning and land use and be able to attend monthly afternoon meetings (3:30 pm start time).

### **Agricultural Advisory Planning Commission (AAPC)**

The AAPC is established to provide input and advice regarding a variety of agricultural issues within the Comox Valley. The AAPC consists of a minimum of three and a maximum of nine appointed members representing active or retired farmers that reflect the agricultural diversity of the region in terms of geography, demographics and commodity groups. Applicants should be available to attend monthly afternoon meetings (4:00 pm start time).

Apply by submitting a letter or email to the CVRD outlining your interest including relevant experience and qualifications related to the specific APC. Recruiting is open until 4:30 pm, April 25, 2025. Appointments will be made by the CVRD Board following the close of the recruitment period. Only those appointed will be notified.
